

Deb Stokoderm Sun Protect 30 PURE - 100 ml

Protect your skin with **Deb Stokoderm Sun Protect 30 PURE**, a high-performance, fragrance-free sunscreen designed for all skin types. This **SPF 30** sunscreen offers broad-spectrum protection against UVA and UVB rays, helping to prevent sunburn and long-term skin damage from sun exposure.

Its **water-resistant** formula ensures lasting protection, even during outdoor activities or in humid environments. The gentle, **perfume-free** composition makes it suitable for sensitive skin, reducing the risk of irritation. Ideal for both daily use and professional settings, Deb Stokoderm Sun Protect 30 PURE is perfect for anyone needing reliable sun protection without added fragrances.

Key Features:

- **SPF 30:** Offers strong protection against UVA and UVB rays.
- **Water-resistant:** Maintains effectiveness even during water exposure or perspiration.
- **Perfume-free:** Suitable for sensitive skin, minimizing the risk of allergic reactions.
- **Size:** 100 ml – convenient for travel or on-the-go use.
- **Suitable for all skin types:** Dermatologically tested to ensure safety and comfort.

Ensure optimal skin protection with **Deb Stokoderm Sun Protect 30 PURE**, the perfect companion for outdoor activities and everyday sun exposure.
